## The Jody Klein Breast Cancer Fund

Jody Klein was my younger sister. We were extremely close. She was the most compassionate person I have ever known. Her love for people was only equaled by her love for animals.

In 2003, Jody was diagnosed with breast cancer. She had not had her regular mammograms as recommended. Jody fought very hard but passed away

on April 17, 2005 at age 46. We miss her everyday.

My partner, Brenda Clark and I have created the JODY KLEIN BREAST CANCER FUND, a 501(c)3 charitable corporation I.D. #20-4177417. Last year the Jody Klein Breast Cancer Fund donated \$15,000 directly to City of Hope for ongoing cancer research, treatment and education programs.

So, please join us to honor my sister and others who have lost their battle, to help fight breast cancer.

***Together we can save a life and make a difference.***
